

# App Store

The App Store is where you can find new apps for your device, such as games or other useful things. Many apps are free.

# App Store

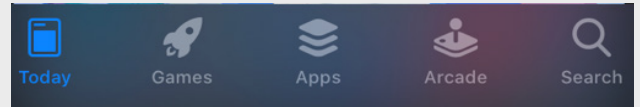

1

## Find the App Store app

- Find the [Play Store](#) app. You can look for it on your device's home screen.
- Tap on the **App Store** app to open it

2

## Search for apps

- On your screen you'll see movie, games, music, and apps categories
- The App Store has many free and paid apps. You can add these apps to your device.
- Type **Angry Birds** into the search bar and tap the search button

3

## Download Angry Birds

- Download the Angry Birds app by tapping **Get**. Angry Birds is a free game.
- On your screen, you can see:
  - How many times people have downloaded the game
  - The game's rating
  - The game's description
- Once the app is installed, tap **Open** to open the app

4

## Play Angry Birds

- Let's practice using an app. Go to your homescreen and tap **Angry Birds**.
- To play the game you'll need to:
  - Drag you finger on the screen
  - Aim
  - Release your finger from the screen
- Finish the next 3 levels
- Have fun!
- If you've never played Angry Birds before, do [this lesson](#) first
